

PRODUCT CATALOGUE

MAY 2025

We offer elegant, durable, and high-quality textile solutions tailored to the specific needs of hotels, resorts, and hospitality brands.

Hand and Face Towel

Royaltex hand and face towels combine high absorbency, softness, and durability, specially designed to meet the needs of the hospitality industry. Made from 100% cotton with meticulous craftsmanship, they are ideal for professional use in hotels, spas, hammams, and dormitories. Available in various weights and sizes, they offer solutions tailored to every need.

Hotel Hand Towel 450 GSM 200g / Piece

This 50x90 cm hand towel is made from 100% cotton 16/1 yarn. Its lightweight structure allows for quick drying, while its soft texture provides comfort for daily use. It is both an economical and functional choice for hotels and similar professional settings.

Hotel Hand Towel 560 GSM 250g / Piece

This 50x90 cm towel is made from 100% cotton 20/2 ring yarn. Its dense structure offers high absorbency, while the soft texture ensures comfort during daily use. Thanks to its durable build, it is a hygienic and long-lasting choice for hotels and similar professional environments.

Hotel Bath Towel

Royaltex hotel bath towels are an ideal choice for professional use, offering high absorbency, a soft texture, and long-lasting durability. Made from 100% cotton, they provide exceptional comfort for guests in hotels, spas, and similar hospitality settings. With various size and weight options available, they deliver tailored solutions for every need.

Hotel Bath Towel 460 GSM 450g / Piece

This 70x140 cm towel is made from 100% cotton 16/1 yarn. Its lightweight structure allows for quick drying, while its soft texture ensures comfort in daily use. It is both an economical and practical choice for hotels and similar professional settings.

Hotel Bath Towel 445 GSM 600g / Piece

This 90x150 cm towel is woven from 100% cotton 16/1 yarn. With its high weight, it offers extra fullness and a luxurious feel. It is ideal for those seeking comfort and quality in spas, hotels, and premium accommodation facilities.

Hotel Bath Towel

Royaltex hotel bath towels are an ideal choice for professional use, offering high absorbency, a soft texture, and long-lasting durability. Made from 100% cotton, they provide exceptional comfort for guests in hotels, spas, and similar hospitality settings. With various size and weight options available, they deliver tailored solutions for every need.

Hotel Bath Towel 510 GSM 500g / Piece

This 70x140 cm towel is made from 100% cotton using 20/2 ring yarn, offering a combination of softness, durability, and high absorbency. With a weight of 500 grams, it is a comfortable and ideal choice for daily hotel use.

Hotel Bath Towel 485 GSM 650g / Piece

This 90x150 cm towel is woven from 100% cotton using 20/2 ring yarn, providing extra fullness, superior absorbency, and long-lasting durability. With a weight of 650 grams, it offers premium comfort in luxury hotel and spa settings.

Hotel Bath Mat

Royaltex hotel bath mats offer a comfortable and hygienic solution for post-shower use, with high absorbency, a soft texture, and a non-slip design. Made from 100% cotton, they provide guests with comfort in hotels, spas, and other professional settings. Available in various sizes and weights, they offer alternatives to suit every need.

Hotel Bath Mat 515 GSM 180g / Piece

This 50x70 cm towel is made from 16/1 yarn, offering quick drying and high absorbency thanks to its lightweight structure. With a weight of 180 grams, it is suitable for daily use and provides an economical and practical solution.

Hotel Bath Mat 715 GSM 250g / Piece

This 50x70 cm towel is woven from 100% cotton using 20/2 ring yarn, offering extra durability and comfort. With a weight of 250 grams, it is ideal for use in professional settings such as hotels and spas.
